

SCIENCE CAFÉ

Bioengineering: The XX Factor

How does gender affect the health, injury and treatment of bones and joints?

Science is the new black.

Science Cafe is a place where, for the price of a cup of coffee or pint of beer, you can learn about the latest ideas and issues in science and technology in an informal setting.

Tuesday, October 26th,
6:30-8:30pm
Ironwood Stage and Grill
1229, 9th Ave SE.

Speakers:

Dr. Janet Ronsky

Canada Research Chair in Biomedical Engineering
Professor, Department of Mechanical and Manufacturing Engineering
Schulich School of Engineering
Adjunct Assistant Professor, Faculty of Kinesiology
